EDUCATION

Master of Computer Applications (MCA)

- Institute: Pondicherry University.
- CGPA: 9.49.
- Year of Graduation: 2024.

Bachelor of Science in Computer Science (B.Sc.)

- Institute: Avvaiyar Government College for Women.
- CGPA: 7.97.
- Year of Graduation: 2022.

SOFT SKILLS

- Problem solving.
- Adaptability.
- Time Management.
- Multitasking.
- Communication.
- Leadership.

LANGUAGES

- English.
- Tamil.

OBJECTIVE

Master of Computer Applications graduate with a robust foundation in software development, database management, and web technologies. Skilled in Java, Python, and SQL, with a commitment to driving innovative technology solutions and achieving continuous professional growth in a dynamic development environment.

CERTIFICATIONS

- **Career Edge - Young Professional** - TCS ion, June 2024.
- **Full Stack Development** - NoviTech R&D Private Limited, June 2024.
- **Java** - HackerRank, July 2024.
- **Master Spring Boot 3 & Spring Framework 6 with Java** – Udemy.

SKILLS

- **Programming Languages**: Java and Python.
- **Web Development Technologies**: HTML, CSS, JavaScript, ReactJs.
- **Frameworks**: Spring, Spring Boot.
- **Database Management**: MySQL.
- **Version Control**: Git, GitHub.
- **Tools**: Eclipse, Spring Tool Suite, Visual Studio Code.
- **Computer Science Fundamentals**: Data Structures and Algorithms (DSA), Object-Oriented Programming (OOP), DataBase Management System(DBMS)

PROJECTS

Online Shopping System
Technologies: Java, Object-Oriented Programming (OOP)

- Developed a comprehensive online shopping platform using Java and Object-Oriented Programming (OOP) principles.
- Implemented key functionalities to support user interactions, including product addition, real-time viewing of product details, and efficient management of shopping cart contents.

Student Management System Web Application
Technologies: **Spring Boot, Spring MVC, Thymeleaf, Spring Data JPA, MySQL.**

- Designed and developed a web-based application to streamline student enrollment and information management processes.
- Integrated robust features, including efficient student registration, secure database connectivity for real-time data handling, and an intuitive, user-friendly interface.
